

JUNE/JULY 2018

Dear Customers, Friends & Neighbors:

I Hope everyone is having BEAUTIFUL Spring season. This invoice covers the April & May services & as mentioned before we will invoice you every 2 months now. The next invoice that you will receive will be on AUGUST 1<sup>st</sup> 2018. We are also invoicing paperless via e-mail, so please let us know if you want to go paperless & provide me with your e mail address. You can pay your invoice on line via credit card, cash or check BUT PLEASE NOTE that our new preferred method is via ZELLE Chase quick pay . We can't waive the sales tax unless you are NYS tax exempt.

All underground sprinklers should be turned on. Early morning watering is essential for a good healthy lawn, especially after we apply pesticides to the turf. IN June & July we will apply a pesticide to control grubs and insect control for worm, ching bugs & so forth. We will also fertilize lawns before the summer begins. In July applications for lawn weed control will be sprayed. We can manage your property for carpenter ants, bushes & the perimeter of the turf areas. **Zika?** Are you having a mosquito problem? Don't want a mosquito problem? **MOSQUITOES APPLICATIONS CAN ALSO ATTACK TICKS & FLEES.** We can spray with the new organic application or the more common pesticide treatment. Either application cost is \$80.00+tax to bushes & shrubs (for if you take the program we will also spray the turf grass areas as well for the same price). Four treatments for the season should get a handle on the problem but we can't control your neighbor's issues with the mosquito. There are Four applications (before, middle & at the end of summer and early fall), all applications to shrubs must be pre-paid. We have started the tree & bush spraying service for the control of mosquitoes, mites, scale, bugs, insect, spiders & others bugs that are looking to eat your bushes and landscape. During June & July we will also deep root feed the trees & shrubs for those customers who ordered the root system with nutrition. Vitamins, hormones & fertilization, this service is guaranteed to work for the well being to your shrubs, the application last up to 6 months & your shrubs all year round . If you have not signed up for either one of these services & would like to do so, please advise us so we can put you on the schedule. We also have organic lawn, tree & shrub care programs. We have the "B green" organic approach for lawns. Please note that we leave the grass clipping to all the organic clients as another source of nutrition for the turf areas.

**ORGANIC APPROACH** programs use NO pesticides of any kind. Please keep in mind that lawns need some kind of applications of pesticide to avoid an infestation of insects or bugs. In the event you need any kind of major project for landscaping or home improvement, indoors or outdoors, you must inform us immediately because our schedule is filling quickly.

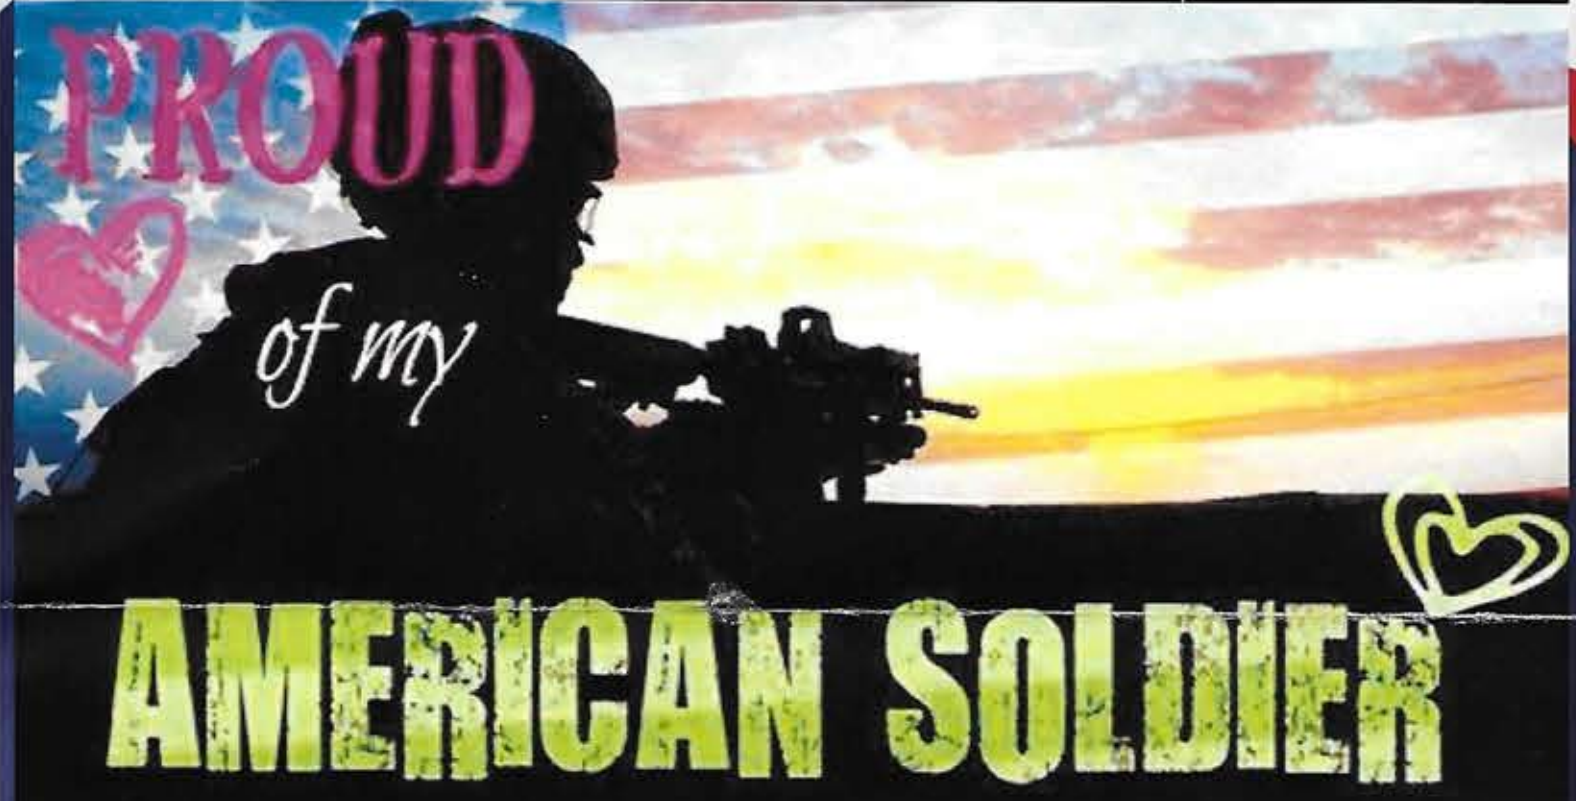

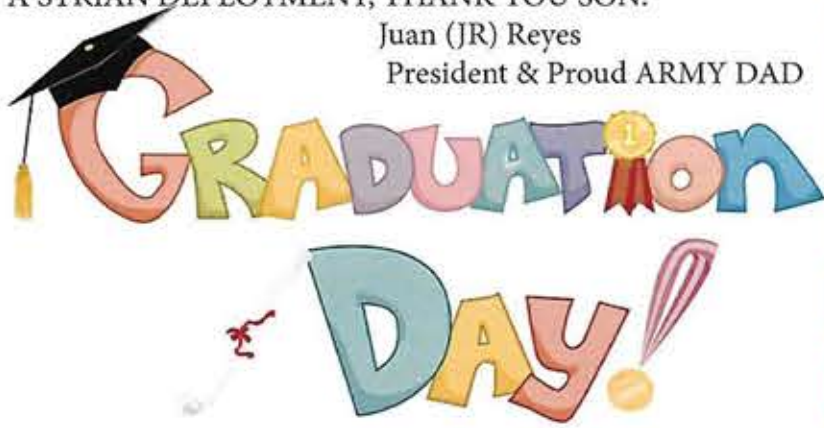

We are 3 months away from any extra work or major job projects but our current customers always get top priority. Please call us or e-mail us with your requests. In the middle of June we will start trimming & shaping of shrubs, you must contact us with your requests for these services. We will put you on schedule & the service will be done within 2 weeks of your request. We will start with those customers that have already requested them. We will do the others in order of the requests as they were received. No extra service will be performed with customers with a past due balance. The service fee will start at \$150.00 for both the front & back, the final cost will be determined on how much debris we must remove and the number of shrubs or hedges to be pruned. In the event you have an insect problem indoors you can call Perry Mirsky at Inter County Pest Control at 718- 723-2072 or 516-683-1011. They will control any kind of indoor infestation of insects or bugs even termites. Having a special event or BBQ? Please give us advance notice for trimming or flowers THERE IS STILL plenty of time to get your flower @\$275.00 + Tax or mulch \$ 150.00 per yard in your flower beds & please advise & we'll be very happy to accommodate you for you special occasion. Please note that it's imperative to always when contacting **ACE** or making any kind payments use your account number via www, zellepay.com & you may use my e mail to make the payment JRELSUSA@YAHOO.COM

We are still doing junk & garbage removal at the end of each month. Minimal pick up fee is \$400. Power washing is up & going and this is the best time of the year for cleaning your home, roof, sidewalks, driveways decks, PVC fences or patios. Power washing starts at \$300.00

All requests must go through the office & NOT the gardeners as we do the scheduling in the office & not in the field. PLEASE call the office or e-mail us @ aceland2005@yahoo.com which is our preference method of communication, or text me @ 516 779 4853. Workers are not authorized to perform any extra work without a work order nor do they have the proper tools.

I want to wish you all a very happy & safe summer season, stay cool! Thank you again for the business & loyalty to the **ACE FAMILY**. A special Thank you to law enforcement & to our brave men & women in the arm forces for their sacrifices they give to keep us safe. **JOHNNY BOY IS AN INFANTRYMAN IN THE USA ARMY ARM FORCES PLEASE KEEP HIM IN YOUR PRAYER AS HE IS IN GERMANY IN FIELD TRAINING FOR A SYRIAN DEPLOYMENT, THANK YOU SON.**

Juan (JR) Reyes  
President & Proud ARMY DAD
